

List of Research / Fellowship Projects'2018

Infrastructure, Quality of Life
1. Study of National Urban Transport Policy and Metro Rail Policy 2017- Contemplating Lucknow Metro Project
2. Analysis of traffic accident data and propose better traffic management plans to minimize congestion and accidents
3. Overview of traffic and Study of Intelligent Transportation system in Urban Transportation
4. Housing for Urban Poor
5. Fair Play of Water - Report on Equity of Water in India
6. Rehabilitation of Property and Land around Shri Kashi Vishwanath Temple
7. Kashi Vishwanath Redevelopment and Beautification Project
8. Varanasi Tourism: Addressing problems of Tourists and Pilgrims
9. Mumbai- A Tourism Destination?
10. State of Traffic in Gorakhpur: Prevailing problems and their solutions

Government Schemes
1. Service Climate Analysis of AWWs under ICDS and Analysis of MPRs of Aspirational Districts.
2. Trauma Emergency Service Intensive Care in Tamil Nadu
3. Uttar Pradesh Chief Minister Rural Entrepreneurship Board
4. Study of e-Governance initiatives of Revenue and Disaster Management Department. Odissa
5. Janhit Guarantee Act
6. Nivesh Mitra Marketing
7. Efficacy of GeM (Government e-Marketplace)
8. Free Essential Drug Initiative: Success and Challenges in Implementation
9. One-District-One-Product (ODOP) – Scope and Potential Using the Firozabad glass industry as a model
10. Urja Mitra Model in Jharkhand State
11. To improve the implementation of Aam Aadmi Mohalla Clinics in Delhi

Education, Skill Development
1. Analysis of the Socio-Economic impacts of Skill Development
2. Consolidation of Schools: An analytical study on Education Management
3. Analyzing The Gap Between Present Technical Education System and The Industry Standard Requirements
4. Breaking the Myth that Private Schools are Better than Government Schools
5. The Impact of Parental Income and their Education on Choice of Schools and Instructions
6. Corrupt practices in private educational system and measures to combat them

Governance, Service Delivery
1. Analyzing Public grievances and increasing operational efficiency of District hospital and Collectorate office, Singrauli.
2. Blockchain Implementation in Pharmaceutical Industry
3. Improvement to the SAKALA in Govt of Karnataka
4. Ethics in Public Service
5. Drafting a report on the future of Indian Council of Philosophical Research (ICPR) for the Central Government of India

7. Rating GOVERNMENT UNITS on EASE of SEWA and RATING of NGOs, especially in the context of Well Being and Care of Elderly
8. Assessment of HR in NHM-UP
9. Tragedy of the Commons with a case on Amrit Mahal Kaval
10. Integrated Grievance Redressal System for Government of Karnataka
11. A Case Study on the Data Support System Development for Decision Makers to manage irrigation in Rajasthan
12. Vacancies in Government Departments: Reasons and Solutions
13. Using GIS mapping for planning roads in PMGSY 3

Police, Judicial Reforms
1. Analysis of Prison Environment and predicting future rise in types of criminal in Central Jail Nahan, Himachal Pradesh
2. A study of selected Technological Policing Practices In UP Police and Delhi Police
3. Improving Policing in India

Rural Development, Farmers' Issues
1. Infrastructure for Rural Tourism and Rural Development
2. Rural electrification and its socioeconomic implications
3. Towards Better Policies for Better Soil Health Management
4. Policy Analysis on Rural Electricity distribution business in UP
5. Rural development - an objective study
6. Doubling of Farmers Income: Role of Animal Husbandry

Economy, Finance and Business
1. Future Of Work In India
2. Welfare of Unorganized Workers in Madhya Pradesh
3. Implementation of E-Commerce policy in India
4. Understanding and Improving the factors essential for Growth of Handloom Industry in Assam
5. Analysis of patent granted in pharmaceutical sector in India to achieve an appropriate patent system

List of Research / Fellowship Projects'2017

Police, Judicial Reforms
1. Policing and Criminal Justice
2. Process Oriented Policing
3. "Are Traffic laws enforced based on real evidence or just perceptions?"
4. Research on current situation of judicial pendency in India and suggesting solutions to improve it.
5. Motivational Aspects In Lower Constabulary Forces
6. Human Trafficking in Uttar Pradesh, Inter-State and via Indo-Nepal Border: Major Challenges & Corrective Actions
7. Data Analytics and Predictive Modelling with National Crime Records Bureau Crime Data
8. Police Reforms in UP, especially challenges in implementing the SC orders
9. Qualitative Analysis of Trafficking in Women and Children in Uttar Pradesh
10. A Comparative Study on Use of Technology by Kolkata Police vis-a-vis by Police organizations of advanced cities around the globe

Infrastructure, Quality of Life
1. Issues, Challenges, and Possible Solutions in handling the menace of mule dung in Vaishno Devi Yatra area
2. Urban Transport in Lucknow
3. Analysis of Human Resource for Health in Raipur district and Study of Retention of Health Workforce in rural areas
4. Improving the Public Transport System in Ranchi: Strategies and Solutions
5. Road Traffic Congestion in Trichy: Strategies and Solutions
6. Closure of Level Crossing Gates
7. Efficient and Green Buildings in Urban Areas(Metro Cities) in India
8. Case Study on the breakage of Helical pinion Shaft in WAG-9H Locomotives
9. Cold Chain Management of vaccines
10. Implementation of Logistics Management Information System for Uttar Pradesh
11. Rejuvenation Of The Ancient Kunds/Ponds Of Varanasi
12. Long Term Care Needs of the Elderly in India
13. Study of Different Sanitation Management Models in Delhi
14. Public Health and Innovations: The Indian Perspective
15. Water Crisis in Gujarat
16. Analysis of Tariff for Sewage Disposal in NCT of Delhi
17. Changing Dynamics Of Internal Migration – A Case Study On Delhi's Construction Labour

Education, Skills Development
1. BUDS School
2. How to Improve Quality of Education in Rural Areas
3. Managing the education for children belonging to De-notified, Nomadic and Semi-Nomadic Tribes
4. School in rural area : Challenges and socio-economic impact
5. State of Civics Education in Schools
6. Studying and Improving Vidhyadaan
7. The Impact Of Parental Income And Their Education On Choice Of Schools And Medium Of Instruction
8. Unemployment And Unemployability Of Indian Engineers

Governance, Service Delivery
1. Ethics in Public Governance
2. Efficiency and Expedition of Governance as a tool to address the grievances of Martyrs' Families
3. Study of existing accountability mechanisms at public offices and suggesting improvements
4. A paradigm shift for sustainable Smart Villages of New India with reference to e-governance
5. Digitization: Challenges and Recommendations
6. Improving the business environment in India through IT interventions
7. Improving the Management Structure of JGSPCT, raising funds for a Multi-specialty Cancer Hospital through crowd-funding
8. Citizen Participation in Ensuring Accountability in Local Governance
9. Constraints and Difficulties in implementing the RTI act
10. Economic Inclusion and Upliftment of SC and ST Women Entrepreneurs, through Government Support, in Karnataka
11. Integrated Grievance Redressal System
12. Suggestions to make Expenditure Monitoring in Elections more effective
13. How can philosophy help in producing better people in society?
14. Forest Fire Risk Modelling in Haryana using Geospatial Technology

Government Schemes

1. Critical Analysis of Motor Vehicle Amendment Bill 2017
2. Pradhan Mantari Awas Yojana- Gramin
3. Comprehensive Analysis of Government E marketplace
4. Analysis of marketing expenditure on government schemes and its future course
5. App Based Module for Inspection of Training Centers (increasing robustness in the DDU-GKY scheme)
6. Evaluation of the functioning and adequacy of Public Libraries in Mumbai: A Case Study
7. Vrundavan Village Project

Rural Development, Farmers' Issues

1. Incentivizing farmers to grow less water consuming crops in Rajasthan using MSP mechanism
2. Doubling the Farmers income with special reference to district 'Nizamabad' in 5 years challenges and way out.
3. Exploring potential of Agro forestry in Haryana
4. Recommendations For Better Youth Involvement In Rural Community Development
5. Rural Women Empowerment

Economy, Finance and Business

1. Price Escalation of Selected Essential Commodity (Onion) - A Critical Review
2. Analysis and Comparison of Metro Projects
3. Ease of Doing Business in Madhya Pradesh
4. Corporate Social Responsibility
5. Mergers And Acquisitions In Telecom Sector
6. Role of economic factors in the proliferation of NPAs and the viability of the implementation of the BASEL III in India

List of Research / Fellowship Projects'2015

Economy, Finance and Business
1. Analysis of Trends in CSR activities, Outcome and Way Forward.
2. Labour Law Reforms in Gujarat- Disseminating these to various stakeholders and facilitating their operationalisation.
3. Pay commissions: Unaddressed issues: Productivity, Liberalization and Civil Service reform.
4. Impact Assessment of Free Trade Agreements (FTAs) and Preferential Trade Agreements (PTAs) – for specific sector A.
5. Impact Assessment of Free Trade Agreements (FTAs) and Preferential Trade Agreements (PTAs) – for specific sector B.
6. Impact Assessment of Free Trade Agreements (FTAs) and Preferential Trade Agreements (PTAs) – for specific sector C.

8. Goods and Services Tax.
9. Interface between IPR and competition law.
10. Compulsory licensing of patents – Implications for Pharma Sector.

Education, Skill Development
1. Commercialization of Education.
2. Developing an educational programme to educate the workmen safe way to work.
3. Effects of Mobile in Secondary and Higher Education.
4. How do we measure learning outcome among the students of our school or any school.
5. Education at Government Schools – Reality Check and Recommendations – Infrastructure, Teaching Standards.
6. Mid-Day-Meal Scheme in Primary Schools – Analysis, Effects and Suggestions.
7. Skill training/ vocational training – Reality Check and Recommendations – Infrastructure, Teaching Standards.
8. School Drop-outs: Analysis, Effects and Suggestions.
9. Making India a Technical Education Superpower.

National Security, International Relations
1. Pakistan Studies – Domestic politics, Civil – Military relations.
2. Terrorism & Islamic radicalism – implications for India.
3. Afghanistan- Challenges of reconciliation & peace-making/ power sharing with Taliban.
4. Bangladesh studies – Polarization in Politics & Hurdles democratic consolidation/ challenge of creeping Islamic radicalism.
5. Impact of border conflict on Jammu villagers.
6. Imperatives of a central database for national security.

Government Schemes
1. Food Security Paradigm in India: Required Policy Changes.
2. Financial Inclusion: opportunity and challenges: Jan Dhan Yojna.
3. Evaluation of National Rural Livelihood Mission – Success and Hurdles.
4. Evaluation of the impact of scrapping of Govt of India's Central Sponsored Schemes on development priorities of the Centre and the states (sector specific).
5. Identification of gaps in imp. social sector schemes and to make them more effective with people's participation.
6. Analysis of impact and efficiency of MNREGA.
7. UID: Implementation Challenges.
8. Improving the Public Storage and Distribution System.
9. Disabled Registry for Haryana.
10. Rationalization and Estimation of Social Security Pension beneficiaries.
11. Evaluation of National Rural Livelihood Mission.
12. How to improve the implementation of National Urban Health Mission services in slums?

Police and Judicial Reforms
1. Judicial reforms in India.
2. Private security and investigation services – Scope, Status and Coordination with state security apparatus.
3. Filling Police Public Trust Deficit: What Needs to be done.
4. 498a – Issues and challenges in Implementation to stop misuse.
5. Effect of psychological stress on Police behaviour and efficiency.

Infrastructure, Quality of Life
1. Improving the Quality of Life (Smart City: Prospects, Issues and Challenges).
2. Improving the quality of Life – related to health
3. Is Kerala a Role Model in the area of Health?
4. Different models of solid waste management in relation to "Swachha Bharat Abhiyan".
5. Access to Low Cost Medicines and Alternative Solutions.
6. Air Pollution, its impact, lessons from world and policy initiatives to curb it in cities of India.
7. Intellectual Property Rights issues related to public health in India.
8. Food and Drug Administration and empowering people.
9. Environmental Studies & management of the Shimla Water Catchment Area, Kufri Zoo and the Chir Pheasanry Breeding centre at Chail.
10. Environmental Studies & Management of the Great Himalayan National Park, Shamshi, Kullu.
11. Mobile technology solutions for chronic care management of Diabetes.
12. Implementing 24/7 water supply project in an Indian city.

Governance and Service Delivery

1. E-enabling of various services delivered by Urban Bodies.
2. The Impact of the NeGP (National e-Governance Plan) Programme launched in 2006-07.
3. Improvement in administrative processes.
4. New Pension Scheme 2004 – policy suggestions for improvement based on international practice.
5. Promoting whistle-blowing for good governance.
6. Public Perceptions about civil servants: Trends and suggested strategies to improve.
7. GIS Framework for Governance w.r.t. Municipal Administration & land Records.
8. Right to Information and Transparency.
9. Decentralization: An Approach to Grassroots Governance.
10. Role of IT in Land Record Management.
11. Election Procedure and Efforts to Ensure Fair and Effective Election – Online Voting.
12. Social Auditing: An Implementable Strategy to Ensure Good Governance.

Rural Development

1. Public Private Partnership in Rural Development.
2. Housing for the rural poor.
3. Alternative livelihood of Bidi workers- Economic analysis of opportunities and challenges.
4. Basic Healthcare Facilities in Rural Areas and Slums.
5. Ways to Protect the Farmers from Market and Ecological Vulnerabilities.
6. Creating Unified Agriculture Market – Issues, Challenges and possible solutions.
7. Strategy for Preventing Wastage of Perishable Goods.
8. Farmers in India – Challenges, Problems and Solutions
9. Incentivizing farmers to grow less water consuming crops in Rajasthan using MSP mechanism
10. Doubling the Farmers income with special reference to district 'Nizamabad' in 5 years challenges and way out.
11. Exploring potential of Agro forestry in Haryana
12. Recommendations For Better Youth Involvement In Rural Community Development

Power

1. Power Generation, Transmission and Distribution- Challenges and Opportunities.
2. Solar Rooftop PV programme in Bangalore – challenges and financial modelling.
3. SMART GRID in Bangalore and other metros – what's holding a large scale rollout ?
4. Rural Electrification.
5. Power For All.
6. Trends and Challenges in distribution of power.
7. Civil Society to trap Solar Power.

Transportation

1. Public Transportation System in India and the role of State Transport Undertakings.
2. Local Train Network Improvements.
3. Electronic toll tax collection system.
4. Trend and Analysis of traffic accidents- controlling loss of Life and Limb.

Social Problems

1. Eradication of extreme poverty.
2. Comparative study of struggles of Blacks in the US with the Dalits in India.
3. Impacts of Declining Child Sex Ratio on society.
4. Implementing PNDT Act through online F-Form.
5. Child Sexual Abuse in Government Institutions.
6. Ensuring Social Inclusions of Disabled People.

Land Management

1. A Comparative Study of the 1894, 2013 and proposed Land Acquisition Acts of India.
2. Urbanization: the legal and administrative regimes.
3. Land and Poverty Alleviation.
4. Land acquisition-balancing the requirement of development viz-a-viz the rights of landlord-issues and way forward.

Professional Ethics

1. Ingredients of good leadership.
2. Transparency in business to curb collusive corruption.
3. Accountability and Transparency in Indian Railways.
4. Taking transparency to the next level.
5. Revamping Ineffective-systems which are a root cause of corruption and poor governance – Insights from modern thinking and Indian wisdom.
6. Formulating a Code of Conduct for Builders in Residential Areas.

List of Research Projects'2014

POLICY, LEGAL AND SOCIAL RESEARCH
Public Perception Regarding Complaints and FIR - Law and Practice
Efficient Citizen Service Delivery System to Make Government More Accountable to its Citizens
Impact Evaluation of Value Added Tax in Uttar Pradesh
Primary Data Analysis and Research on Laws
Expansion and Promotion of Rural Tourism in India
Poverty Depends More on Societal Attitudes Than on Lack of Resources
Maintenance Policy for Rural Roads in MP
Policy Vacuum in Private Investment in Higher Education
