RAKSHAK
FOUNDATION

Intern and Mentor Profile (Year 2012)

Rakshak Foundation's Internship program choose the students from the most elite institutes of India ensuring diversity of their backgrounds which is essential for all round learning. In 2012 we recruited students pursuing their graduation in Engineering, Management, Commerce and Law discipline. This year too we are very keen to maintain this variety in the profile of interns.

45 best of the best students across the India attended the Internship Program and worked on projects based on persistent social problems. They completed these projects under the able guidance of mentors from academic and civil services fraternity:-
